BAINBRIDGE JR.

Walter H. "Red" Bainbridge, Jr., 94, was called to eternal life on Sept. 22, 2024, after a courageous seven-month battle with declining health.

The only child of Walter H. and Willie Bainbridge, Red was born in Corpus Christi, Texas, on May 3, 1930, and began ice skating in California at age 6.

A competitive figure skater in the singles, pairs and ice dance categories, Red was two-time North American ice dance champion, three-time U.S. ice dance champion, U.S. silver ice dance champion, U.S. junior pairs champion, U.S. junior men's silver medalist and auxiliary member of the 1948 U.S. Olympic Team.

Red's career in professional skating began in 1949 and continued until his retirement in 2006. In addition to teaching, he also served as manager of the Michigan State University ice arena for eight years. It was during the period at MSU when Red met Patricia Pitkus Radcliffe, and they married on April 11, 1970, in East Lansing, Michigan.

Red had been raised by loving, moral parents — but outside of any particular faith — until he dedicated his life to Christ on May 20, 1976. This began a journey that culminated on Sept. 22, 2001, when he and Patricia were received into the Catholic Church. His passing into eternal reward occurred on the 23rd anniversary of his entering into full communion in the Church.

A man of faith with a servant's heart, Red always put the needs of others ahead of his own. He was a longtime volunteer for his church and for

various charities.

Red had a quick wit and was fun to be around. He often said that teaching skating was a privilege, not a job, and that he had been truly blessed to look forward to going to work each day. A longtime member of the national and international Washington, D.C. Figure Skating Club Hall of Fame, Red was inducted into the Professional Skaters Association Hall of Fame in 2009, and Sports-Faith International Hall of Fame in 2014.

He also loved flying and maintained his private instrument pilot license for single and multi-engine planes, including sea planes. He was a member of EAA Chapters 22 and 1414 and served on the board of directors of UFO (United Flying Octogenarians).

In 2008 he received the Frank Murray Memorial Award (in recognition for "Devoted Service and Unselfish Efforts in Behalf of the EAA Chapter 22) and he received special national recognition for EAA pilots who flew more than 100 Young Eagles flights.

In retirement, he learned to play the piano. He sang in the Rockford Barbershop Chorus, built model railroad displays, participated in the senior follies and worked as an election judge.

Red is survived by Patricia, his wife of 54 years; children M. Lynn Bainbridge; Michael (Deena) Bainbridge, Debbie (James) Wenck; grandchildren Jenny (Andy) Livermore; David (Meagan) Bainbridge; Spencer (Sarah) Bainbridge; great-grandchildren Caroline and Natalie Livermore and Emery and Eloise Bainbridge; nieces Andrea Pitkus and Jill (Adam) Keck. He was pre-deceased by brother-in-law, Terry Pitkus.
