

# LEARN TO SKATE USA

# 5x5 Challenge

Can you complete each of these healthy initiatives five times throughout the month? Record your progress below, and use this activity to track your habits and build new ones!

Complete a Learn to Skate USA  
off-ice challenge

Do 15 minutes of cardio  
(running, jump rope, etc.)

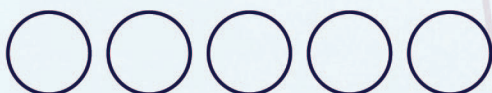

Spend at least 15 minutes  
outside (riding a bike,  
walking, etc.)

Practice skating skills  
off the ice

Eat a healthy post-exercise  
snack
