B. DEADLINES

The entry deadline for the 2025 Adult Qualifying Season (sectionals and championships) is **11:59 p.m., February 1, 2025. NO REGISTRATIONS WILL BE ACCEPTED AFTER THIS DEADLINE. NO EXCEPTIONS.**

Age requirements for the U.S. Adult Championships and adult sectional championships must be met by **February 1, 2025**.

Test requirements must also be met by **February 1, 2025**. Provisional entries based on passing a test after the closing date of entries will not be accepted. Please refer to U.S. Figure Skating rules 2422 and 2423 for further testing information and guidelines. Skaters may NOT "skate up". Skaters may NOT test the next higher level after the close of entries.

C. ELIGIBILITY

This event is open for participation to all eligible competitors who are members in good standing of U.S. Figure Skating per rule 2212.

For **championship** events at the U.S. Adult Championships and adult sectional championships, non-U.S. citizens who have represented a foreign federation at any level of skating competition must apply to the Chair of the Competitions Committee by submitting a "[Non-U.S. Citizen Application to Compete](#)" no later than January 25, 2025.

Those entering **nonqualifying** events at adult sectionals and the U.S. Adult Championships are open to all legal residents of the United States who meet all other test, age and membership qualifications.

Skaters may not enter a championship event at an adult-track qualifying competition (adult sectionals/U.S. Adult Championships) and a qualifying event at a standard -track qualifying competition (regionals/sectionals/U.S. Championships) in the same kind of event, in the same competition season. For example, a skater may not enter novice men's free skate at a standard-track qualifying competition and championship masters intermediate-novice men's free skate at an adult-track qualifying competition in the same season. However, a skater may enter novice men's free skate at a standard-track qualifying competition and masters intermediate-novice men's free skate (not a championship event) or championship masters pairs (different category) at an adult-track qualifying competition in the same season.

Age and [test qualifications](#) as of entry deadline date will determine event eligibility and classification for all. Tests passed after close of entries and prior to the event will disqualify skaters if the test exceeds the maximum requirement for the event entered in this competition.

Skaters may compete in as many disciplines as qualified by test level but may compete in only one event per discipline with maximum total of four events. As an exception, a competitor who qualifies to enter a championship event through their adult sectional championships may also enter a nonqualifying event in the same discipline so long as they do not exceed the four-event limit. Competitors are permitted to enter both emotional performance and lyrical pop/character/comedy events. Competitors are permitted to enter both pattern and free dance events. Competitors are not permitted to enter centennial partnered pattern dance events if they are also competing in another nonqualifying-level of partnered pattern dance (even if with another partner) and vice-versa. Competitors are not permitted to enter centennial pairs events if they are also competing in another nonqualifying-level of pairs (even if with another partner) and vice-versa.

A judge, referee or accountant assigned to the U.S. Adult Figure Skating Championships may not skate as a competitor in any event of the competition, qualifying or nonqualifying. A judge, referee, or accountant invited to an adult sectional championship may compete in the nonqualifying competition held in conjunction with the same adult sectional championships. A judge, referee or accountant invited to serve at the nonqualifying competition held in conjunction with an adult sectional championships may compete in a championship event at the same adult sectionals, provided they do not serve as an official for any of the championship events.

D. AGE CATEGORIES AND EXHIBITIONS

Per rule 2552, there shall be age categories for all singles free skate, emotional performance, lyrical pop/character/comedy, and solo dance events (does not include pairs events, championship events, or partnered dance events).

The age categories at the U.S. Adult Championships for free skate, emotional performance, and lyrical pop/character/comedy events are as follows:

Class I:	21 years through 35 years
Class II:	36 years through 45 years
Class III:	46 years through 55 years
Class IV:	56 years through 65 years
Class V:	66 years and older

The age categories at the U.S. Adult Championships for solo pattern dance and solo free dance events are as follows:

Class I/II:	21 years through 45 years
Class III/IV/V:	46 years and older

All age classes will be combined in championship events at the adult sectionals.

At the chief referee's discretion, age class events with fewer than six entries may be combined, after consultation with the national vice chair for adult competitions and the chair of the competitions committee.

After the close of registration, if an event with one skater/team cannot be combined with another age group and/or level, the event will be held as a single-entry event. Skaters/teams in single-entry events will receive the trophy or medal for their event and will receive the corresponding points for their club toward the team trophy, along with competition credit in the U.S. Figure Skating Lifetime Competitor Recognition Program.

A competition will be held if at least one eligible competitor appears at the start.

Proof of age is required for all events. Acceptable forms of documentation include birth certificate, passport or similar proof. The LOC reserves the right to require additional information.

E. FOUR OR FEWER

When there are four or fewer competitors in an adult sectional qualifying event (championship junior-senior free skate, championship intermediate-novice free skate, championship adult gold free skate, championship adult silver free skate, championship masters pairs, championship adult partnered dance), competitors may progress directly to the U.S. Adult Championships. If there is only one competitor or team in an event, that person/team moves directly to the U.S. Adult Championships. See rule 2545. If, at the close of entries, there are four or fewer competitors registered for a qualifying event at an adult sectional championship, additional competitors from the same qualifying event in other sections shall be permitted to enter the U.S. Adult Championships to bring the number of competitors up to a maximum of 12 (or more if ties make it necessary). See rule 2546.

Competitors must state during the online registration process whether they will skate in their event at the adult sectional championships if there are four or fewer within their section or 12 or fewer in all sections combined. **The statement is binding.**

F. ENTRY FEES

Instructions will be emailed to qualifying competitors after the adult sectional championships have concluded.

Per rule 2401.B.3, If an adult competitor enters a nonqualifying event at the U.S. Adult Championships and qualifies through the adult sectional championships to skate in the corresponding championship event, they will have the option to withdraw from the nonqualifying event and receive a refund. In the case of qualifying in a championship partnered dance event, competitors may withdraw from either the partnered pattern dance or partnered free dance, but not both. Such withdrawal must occur within seven days of qualification at the adult sectional championship, or within seven days of being notified of qualification due to alternate status and withdrawal of a previously qualified skater.

Once entries have closed, entry fees are only refundable if the competition is not held, except as

specified in rule 2401.B.3. There are no refunds for medical withdrawals. The chief referee reserves the right to combine, divide or cancel an event when necessary.

Your registration is not valid until all appropriate entry and administrative fees have been paid and all required forms have been completed online to U.S. Figure Skating. Please note, if payment has not successfully settled (NSF) by February 10, 2025, the skater will be withdrawn from the 2025 Adult Qualifying Season.

A competitor may not re-enter even if the withdrawal occurs prior to the entry deadline of Feb. 1, 2025. Note, all transactions in EMS are subject to a 3% processing fee.

If you need to withdraw, you must send an email to the Events Department at events@usfigureskating.org with your name, U.S. Figure Skating membership number, event(s) in which you are entered and the competition from which you wish to withdraw.

TECHNICAL DETAILS

A. CONDUCT OF EVENTS

For the 2025 season, the international judging system (IJS) will be used for all championship singles events at the adult sectional championships. Championship adult partnered dance, championship solo dance and championship masters pairs events at the adult sectional championships will be judged with the 6.0 judging system.

At the U.S. Adult Figure Skating Championships, IJS will be used for all Championship events (see Rule 1041 A.1 in the U.S. Figure Skating Rulebook) and the following events: adult gold solo dance, adult pre-gold solo dance, adult bronze free skate, adult silver free skate, adult gold free skate, all masters-level free skate, adult bronze pairs, adult silver pairs, centennial pairs, adult gold pairs, masters pairs, masters partnered dance, and pre-gold partnered dance and higher. Lyrical pop/character/comedy and emotional performance events will be judged with the Showcase Component Judging System. All other nonqualifying events will be judged using the 6.0 judging system.

B. AGE AND TEST QUALIFICATIONS

All age and test requirements can be found in the [2024-2025 U.S. Figure Skating Rulebook](#). Adult singles test requirements can also be found on the U.S. Figure Skating website in the [Adult Singles Free Skating Event Eligibility Chart](#). Adult showcase test requirements are found in the [Showcase Guidelines](#).

C. TECHNICAL ELEMENTS / PROGRAM REQUIREMENTS

The well-balanced program charts for all levels and disciplines are posted on the [Adult Skating Rules and Resources Page](#) of the U.S. Figure Skating website.

For IJS information, reference the appropriate discipline section of the current ISU rules and the [Adult Calling Clarification](#) document, found on the U.S. Figure Skating website.

The lyrical pop/character/comedy showcase event contains programs that meet the definition of lyrical pop, character performance or comedic impressions programs in the [Showcase Guidelines](#).

Due to the combination of categories, props and lip-syncing are optional.

D. MUSIC AND PLANNED PROGRAM CONTENT (PPC)

All competitors entering the 2025 adult sectional championships and U.S. Adult Championships are required to submit the following items via their EMS Skater Portal one week prior to competition start date:

- Upload of each piece of competition music
- Music copyright information for all music
- [Planned Program Content](#) detailing the elements in the program **(IJS ONLY)**

Please note that you do not have to complete this at time of entry, although it is strongly encouraged. An athlete may update their skating program details at any time, after registration is complete, and up till one week prior to event start. Athletes will not be allowed to make any edits to their skating program one week prior to the start of the competition as this time is used for event organizers to download your information and prepare for the event. If any adjustments need to be made within one week of the event, they must be done onsite at the competition.

Finally, you will not be allowed to receive your credential at registration until U.S. Figure Skating and the local organizing committee have both received your skating program information. Questions? Email productsupport@usfigureskating.org

******PAIRS AND DANCE TEAMS:** When registering for a partnered event, only **one** member of the partnership will complete the event registration in EMS. Previously, the registering skater had sole control over the management of the registration. As of this season, the partner now has access to manage all the necessary competition items as well. Regardless of the partner being registered for other events, they will now have access to the competition portal for partnered event management, schedules and competition information.

MUSIC UPLOAD/SUBMISSION

For all qualifying competitions during the 2025 season, [online music submission through EMS](#) is the ONLY acceptable method to submit program music. The uploaded program music MUST conform to the following specifications:

U.S. Figure Skating, in compliance with BMI Licensing requirements, must collect the copyright information from each piece of music used in a skater's program. For assistance with this requirement, please click [here](#).

The tentative schedule is a preliminary schedule; therefore, skaters should NOT rely upon this schedule in making travel arrangements.

Skaters who enter more than one event assume the possibility of events being scheduled on the same day. The more events a skater enters, the higher this possibility is.
