

**2024/25 Clarification from Technical Committee**

**Question and Answer 2024/25      N° 1**

## **Clarification from S&PTC: Entry to a Spin using Windmill/Illusion**

### **Question:**

If a skater attempts an windmill/illusion as an entry into a spin using any free leg position, is it considered used even if not awarded?

### **Answer:**

Yes, the windmill/illusion is considered as used but the difficult entry can still be awarded in another spin.
